

FAQ – Parking & Transportation

The Meadows Community League (TMCL) casino – February 24 & 25, 2018 – at Grand Villa Casino (10204 104 Ave NW)

Where do I park?

There are several parking lots in and around the Grand Villa Casino – although availability is not guaranteed.

You can use an app like parkingpanda.com to reserve a spot.

Will I be out of pocket for the parking costs?

Free parking is now available east of Roger's Place at the old Baccarat Casino (10128 104 Ave NW). All you need to do is register your license plate at Guest Services when you arrive.

Parking costs that you might incur at other lots will be reimbursed by the community league. If you pre-pay for parking before your shift begins, simply provide your receipt to the TMCL General Manager on duty when you arrive. If you pay upon exiting the parking lot, you will need to submit a copy of your receipt, within 10 days after the casino, to: treasurer@themeadowscommunity.ca

What if I don't feel safe going to and from the parking lot at night?

You can plan to buddy up with another volunteer or take advantage of shuttle transportation being provided. Return transportation is being arranged through Greater Edmonton Taxi Service (GETS) from Velma E Baker school to/from Grand Villa Casino. Pick up at the school will be approximately 45 minutes before your shift begins and pick up from the casino within 15 minutes after your shift ends.

How do I arrange for transportation?

Simply indicate your need for transportation when you sign up for a position. A confirmation will be sent to you one week prior to the event.
